Serving Ohio Judges – Enhancing Judicial Leadership

March 15, 2013

Mark Flanders
Director, Ohio Legislative Service Commission
77 South High Street
Columbus, OH 43215

Dear Mr. Flanders,

The Ohio Judicial Conference has calculated the adjusted amounts relative to satisfaction of judgments and orders as provided in revised code section 2329.66. The attached amounts are applicable to satisfaction of judgments and orders on or after April 1, 2013 and before April 1, 2016.

It is important to point out that the 129th General Assembly enacted HB 479 which modified revised code section 2329.66 effective March 27, 2013. Thus for exempted property and personal residence property, there is an interim amount effective that date which is further adjusted along with all amounts pursuant to statute on April 1, 2013.

You may find it appropriate to publish this information in the Register of Ohio.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark R. Schweikert". The signature is fluid and cursive, with a long horizontal stroke at the end.
